

E-SIGNATURE UPDATE

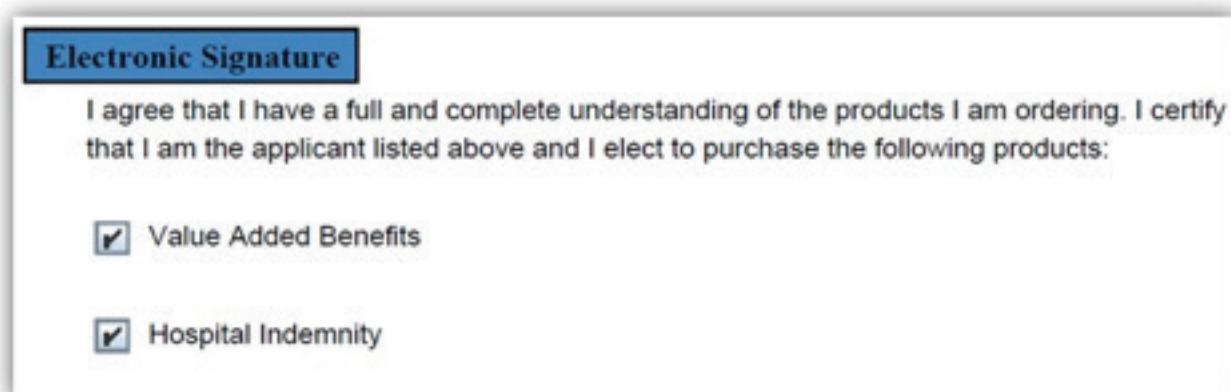

\$today_long

Dear Agent,

This notification is to advise you of updates that have been made to the e-signature process in E123. These changes were requested by Chubb and are outlined below.

These new changes will be effective Monday, July 17, 2017.

1. The Member will click the check box next to each product listed, signifying their acknowledgment and approval of the product purchased.

The screenshot shows a form titled "Electronic Signature". Below the title is a statement: "I agree that I have a full and complete understanding of the products I am ordering. I certify that I am the applicant listed above and I elect to purchase the following products:". Below this statement are two checkboxes, both of which are checked. The first checkbox is labeled "Value Added Benefits" and the second is labeled "Hospital Indemnity".

2. The Member MUST "sign" their name in the box. The system will not accept "no mark" or partial marks.

By electronically acknowledging this authorization, I acknowledge that I have read and agree to the terms and conditions set forth in this agreement.

A handwritten signature in black ink, appearing to read "John Doe", is shown within a rectangular box.

3. The Member must "type" their name in the box next to Name. The system will not accept a blank box.
