Disability

Available for sales on Monday, October 30th

Disability Insurance pricing is notoriously difficult to understand. We're trying to change that. Our disability income insurance is made up of three major features that impact the level of coverage and cost. If you become disabled because of a covered accident, simply provide the required documentation with your claim and after your elimination period, benefits will be paid to you during your disability up to the six week maximum per disability.

Total disability can only be sold to a single individual over the age of 18; should there be more than one member requesting the Total Disability benefit, each additional member will require a separate enrollment.

- Two Benefit Levels
- Amplified Total Disability Benefits
 - Elimination Period 14 Days
 - Maximum Benefit Period 6 Weeks Per Disability
 - Maximum Benefit Per Week \$200 or \$250

Available in:

AL, AZ, AR, DE, DC, GA, ID, IL, IN, IA, KS, KY, LA, MD, MA, MI, MS, MT, NE, NV, NM, NC, ND, OH, OK, OR, PA, SC, TN, TX, UT, VA, WV, WI, WY
