Catlin Product Name Change

\$today_long

Dear Marketing Agent,

We would like to inform you of a product change that will be reflected on your product enrollment website August 1, 2017.

The Product Development team constantly reviews products for enhancements, and from feedback we receive from all sales agents. The feedback you provide helps the Product Development team make informed decisions when launching a new product or changes to existing products.

On August 1, 2017, the Catlin Accident Medical Expense, Accidental Death and Dismemberment and Critical Illness plans will be renamed to PrimeCare Pro AME + CI +AD&D, PrimeCare Pro AME + AD&D and PrimeCare Pro CI + AD&D. **All benefit levels, rates and commission amounts will remain the same.**

In addition to the PrimeCare Pro plan, there will also be an additional product you will be able to offer called PrimeCare Value AME + CI +AD&D, PrimeCare Value AME + AD&D and PrimeCare Value CI + AD&D.

The PrimeCare Value Version will include identical benefit levels as PrimeCare Pro. **However, please be aware the PrimeCare Value has less agent commission built into the product and the retail rates are lower.** This new level will gives you additional options, based on your customer's budget.
