

CHUBB DO NOT CALL LIST

June 29, 2017

Dear Agents,

Chubb has asked that all call centers cross reference their sales leads against Chubb's Do Not Call List. It is very important to avoid calling anyone on this list.

Chubb's Do Not Call List is updated on a weekly basis and will be sent to you each Thursday. Our portal will record when the file is downloaded each week. Agent Services will follow up with Agencies and Agents each week that do not download the update. Please review and cross reference the list against any new leads you may purchase.

We appreciate your support and adherence to this carrier request. If you have any questions, please contact Agent Services at **(800) 319-7061**.

Thanks,

A1 Healthcare
